**PERSONALITY** INTJ + Aries + "Year of the Rooster" + Type O- (Yikes!)

No matter what philosophy you ascribe to, all those traits add up to a "passionate, motivated, and confident leader who builds community with their cheerful disposition and relentless determination. Uncomplicated and direct in their approach." Plus a universal donor!

(circa 1982, age 13)

"My main goal in life it to be a computer programmer... Computers are the wave of the future and unless I learn as much as I can I will drown"

"I hope to use computers mainly for programming, but I love an occasional video game or two."

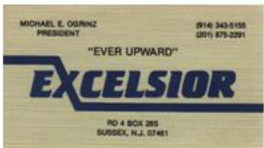

"I can honestly say I am the leading expert in the entire school."

"I am going to start to write programs and find ways to make money."
